Beerta ayeyyo waa mid cajiib ah, oo uu ka buuxo hadhuudh, masago, iyo xajmiga. Laakiin midka ugu wanaagsan dhamaan waa mooska. Inkasta oo ayeyyo ay leedahay ilmo faro badan, waxaan si qarsoodi ah u ogaaday in aan ahaa kan ay ugu jeceshahay. Waxay igu martiqaaday marar badan gurigeeda. Waxay kaloo ii sheegtay qarsoodi yar. Laakiin waxaa jiray hal qarsoodi oo aayna ila wadaagin: halka ay ku huuriso mooska.

Xilli danbe fiidkaas, waxaa ii yeedhey hooyaday iyo aabahay, iyo ayeyyo. Waan ogaa sababta. Habeenkaas saan sariirta udul jiifay saan u hurdo, waxaan ogaa inaan marnaba mar dambe wax xadaynin, ma ahan ayeyyo, waalidiintayda, iyo hubaashii ma aha qof kale.

Maalinitti xigtay waxaay ahayd maalinitti suuqda. Ayeyo ayaa horre u toostay. Marwala waxay weyn oo caws kasamaysan oo la dhiigay qorraxda bananaka quriga ayeyo. Markiil aan weydiiyay waxay ay ahayd, jawaabta kalya ee aan helay Danbiiشا waxaa ku xigay, calleemo badan oo moods kuwas oo ayeyo isku badbaalaysay wadti ka wadti. Wan xiiseynayey. "Waa maxay calleemaha, ayeyo?" ayaaan weydiiyay. Jawaabta kalya ee aan helay waxay ahayd, "Waa yihin calleemihii mucjisadaa."

Ayeyo ayaa horre u toostay. Marwala waxay qaadji jirtay moods bislaaday iyo xajmi canaaha si ay ugu libiso suuqda. Anigu ma aanan degdegim inaan boodo maalinittas. Lakkin ma aanan ka ahaan kariin mudde dhere.

Waxaay ahayd mid aad u xiiso leh daawashada ayeeyo, mooska, caleemaha mooska iyo dambiisha cawska ka samaysan. Laakiin ayeeyo waxay ii dirtay hooyaday si aan shaqo yar ugu qabto. “Hooyo, fadlan, aan daawado saad u diyaarinayso ...” “Ha noqonin mid madax adag, ilmo, samee sidii laguu sheegay,” ayay ku adkaysatay. Orod baan ooga tagay.

Maalintii xigtey, markii ay ayeeyo beerta qudaar kasoo guraysay, waxaan u dhuuntay oo aan eegay mooska. Ku dhowaad dhammaantood way bislaadeen. Anigu ma awoodi karin in aan qaado afar xidhmoog/gacan. Markaan albaabka xagiisa usoo tagtaagsan hayay, waxaan maqlay ayeeyo qufacayso. Waxaa ii suurto gashay in aan ku qariyo mooska dharkayga hoostiisa waana garab maray.

ugū macanāa ee aan abid dhadhamey.  
 degdeg ahne wan u cuñay. Waxay ahayd mooski  
 dib u dady, waxan quriga gadashisa, si  
 waxana ku qaray dharkayga. Kadib markii aan  
 add u bisladay. Waxan soo qaata hal xabo  
 mooska mar kale. Waxaa jiray kuwo farabadan oo  
 hooyo, waxaan u ordiy qurigeeda si aan u eego  
 Maalintii xigtay markii ay soo boodaatay

Markeenku, ayeyo waxay fadhiday  
 banaanka, laakini dambili amma moos toona ma  
 oolin. „Ayeyo, awaway dambishi, awaway mooski  
 oo dhan, iyo awaway ...“ Laakini jawabta kaliya ee  
 aan heley ayaa ahayd, „Waxay ku jirraan goobtaydi  
 mucisada.“ Waxay ahayd niyadjab!

Labo maalmood ka dib, ayeeyo ayaa ii dirtay si aan oogu soo qaado bakooradeedii qolkeeda jiifka. Isla markii aan furay albaabka, waxaa i soo dhaweeyay carafta xooggan ee mooska. Qolka gudahiisa waxaa ku jiray dambiishii weynayd ee mucjisada. Waxaa si fiican u qariyey buste duug ah. Kor ayaan uga qaaday waana uriyay caraftii wanaagsaneyd.

Codkii ayeeyo ayaa i cabsigaliyay markii ay ii dhawaaqday, "Maxaad samaynaysaa? Soo dhakhso iina keen usha." Wuxaan ula soo orday iyada bakooradii. "Maxaad urinaysaa?" Ayeeyo ayaa ii waydiisay. Su'aasheeda waxay iga dhigtay inaan ogaado inaan wali carfisanaayo goobteedii mucjisada.
